Calibration Program

25X1

1. The next meeting of the subject committee is  
scheduled for 0930, 29 January 1974, at the OC-E/ESD/TSB  
Conference Room [redacted] All members  
are urged to attend.

25X1

2. The agenda for the meeting will be:

- a. Discuss all recommendations that the Committee  
has made to date.
- b. Discuss and evaluate the information gathered  
by the Chairman regarding commercial and  
military facilities that may be available to  
overseas Base, Field, and Headquarters assets.
- c. Evaluate those recommendations that appear  
appropriate and cost-effective.
- d. Prepare a report with recommendations.

3. The recording secretary for this meeting will be  
furnished by OC-E/ESD/TSB. In future meetings this duty  
will be shared by each Division on a rotating basis.
